AMENDMENT
FOR

SPECIAL-USE AUTHORIZATION

Amendment#: 1

This amendment is attached to and made a part of the Sunrise Powerlink special use authorization for construction, maintenance, and operation of a 500kv/230kv electric transmission line issued to San Diego Gas & Electric Co. on 12/10/2010 which is hereby amended as follows:

Amendment #1

Notification requirement - Washington Office Interim Directive 2710-2011-2

1. Incident Notification. The holder shall be required to contact the authorized officer as soon as practicable after the following incidents that occur on National Forest System (NFS) lands within the authorized area:
 - a. Any incident resulting in death, permanent disability, or personal injuries that are life-threatening or that are likely to cause permanent disability;
 - b. Any failure of a structural, mechanical, electrical component and its primary connection, or operator error, which impairs the operation or function of a passenger ropeway in a way that could affect public safety, or any ropeway incident that requires reporting to State authorities;
 - c. A search and rescue operation to locate a person; or
 - d. Any incident that had or has high potential for serious personal injury, significant property damage, or significant environmental or other natural resource damage, including but not limited to avalanches, landslides, flooding, fire, structural failures or release of hazardous substances.
2. Method of Notification. The authorized officer shall determine protocol for how the notification must be made. Notification may be tailored to the unique characteristics of the permitted operation.
3. Contents of Notification. When notifying the authorized officer of an incident, the holder shall be required to specify when, where, and how it occurred, and who was present or affected by the event.

This Amendment is accepted subject to the conditions set forth herein, and to conditions to attached hereto and made a part of this Amendment.
